Sir:

This is a Petition to reinstate the original filing date of July 26, 2001, for the subject utility patent application. A check in the amount of \$130.00 covering the Petition fee under 37 C.F.R. §1.17(h) is enclosed.

Briefly, the July 26, 2001 filing date was accorded to this application, as indicated in a Notice to File Missing Parts dated October 3, 2001. However, Figure 3 (which is described in the Specification but is not necessary for understanding it) had apparently been omitted. The Applicants' previous counsel filed a Request for Approval of Drawing Corrections, which included a copy of the omitted figure, on October 23, 2001. Although an explanation was submitted that no new matter was added to the application by introducing Figure 3, the Patent Office apparently automatically issued

an Updated Filing Receipt dated November 21, 2001, which changed the filing date to October 23, 2001.

As it continues to be Applicants' position that Figure 3 presented no new matter, this Petition is being filed to withdraw that omitted drawing and amend the Specification to cancel all references to it. A Preliminary Amendment thus canceling Figure 3 and related text in the Specification is filed concurrently here, prior to the first Office Action issuing, so as to avoid delays in the prosecution of the application. Upon granting this Petition and entry of the enclosed amendment, an Updated Filing Receipt that refers to the original filing date of July 26, 2001 is respectfully requested to issue.

Respectfully submitted,
